Lamento da Dama Viuva

Bom Dia Passarada

vozes

Quando ao anoitecer
Perdido parecer
Perdido parecer

Junto as flores de jasmim
Dou-te os mistérios
Que estão em mim.

Teu amor, na luz das estrelas
Transparecer
Transparecer

Junto as flores de jasmim
Dou-te os mistérios
Que estão em mim.
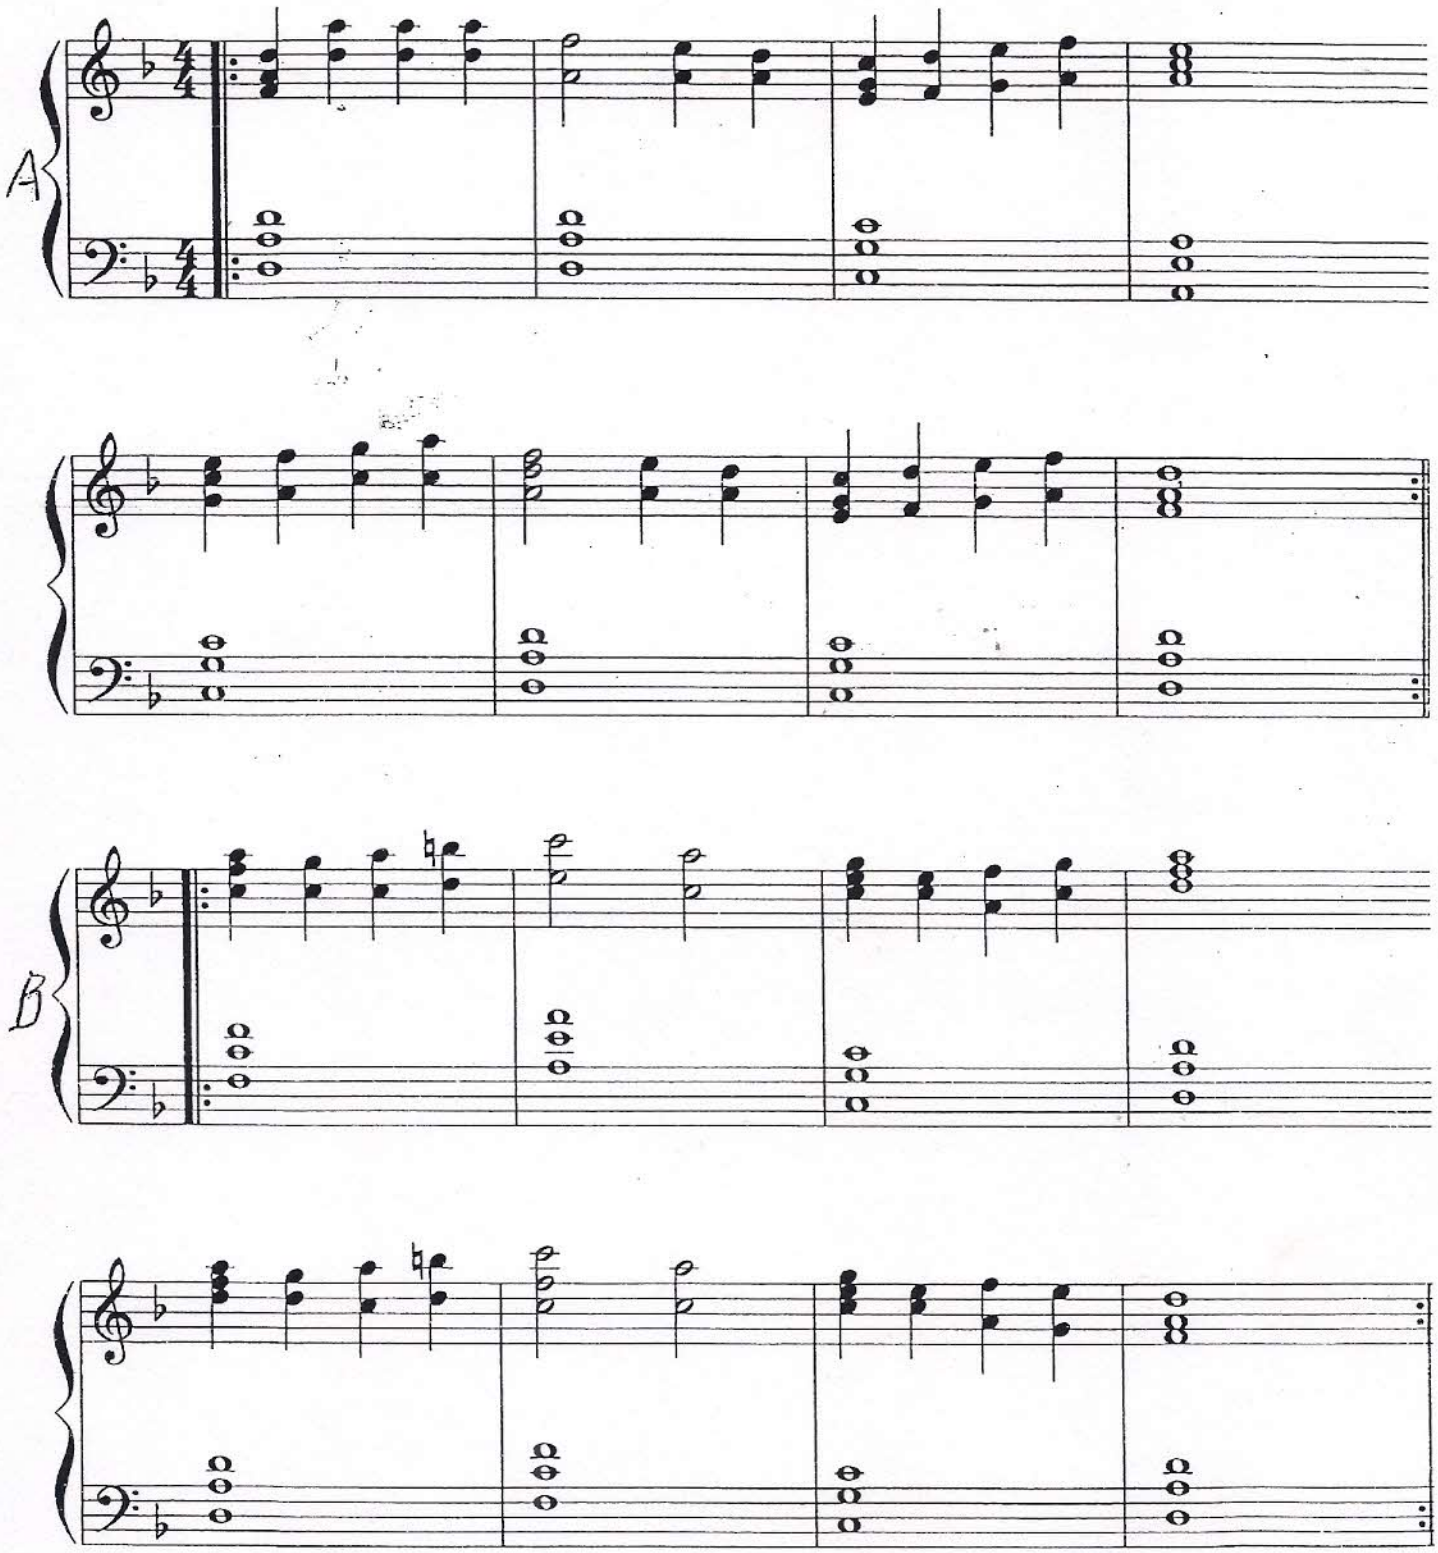

Em meus olhos esta luz
Torna-se força que me conduz
Venero o infinito céu
Coberto por um puro véu
Coberto por um véu

Quanto tempo que levamos
Para até aqui chegar
Em caminhos separados
Tivemos que andar

E sobre as altas montanhas
E rios que correm por suas entranhas
Abaixo do infinito céu
Coberto por um puro véu
Coberto por um véu
